Dear Mr. Michael:

RE: ML-40880, DOE/023/015, Juab County, Utah

Thank you for resolving the surety issue with the Division of State Lands and Forestry. The Division of Oil, Gas and Mining has no further concerns at this time, or as long as your operation remains under the two-acre limitation.

As previously noted, should you anticipate expansion of your activities beyond that limit, please notify our office at least six months prior so that adequate time is allowed for processing your permit application.

Should you have any questions, please call me.

Sincerely,

James W. Smith, Jr.  
Administrator  
Mineral Resource Development  
and Reclamation Program
